

## **FREE EDUCATION TO EVERY CHILD**

### **EDUCATION AT CHILDHOOD:-**

Education is necessary at the childhood stage; this is the period where it provides them a chance to develop mentally, physically and develop social awareness in them. It gives them experience and confidence to face the outside world. ... The importances of education for children are many.

Education is not just to read and write but to make use of it for their own advantages and to utilize the knowledge for their growth.

Also one can lead their own life without depending on others. It is not about making people literate, as literacy is entirely different from education.

Literacy is meant as the ability to read and write, whereas education is finding out the reason behind everything and using the reading-writing skills to improve their lives. It helps the countries to grow economically and cherish with prosperity.

To live a flawless life, education is very important for every individual.

### **IMPORTANCE OF EDUCATION IN OUR LIVES :-**

To gain respect from society, one should be educated. To lead a happy and prosperous life, one needs to study and obtain a great job to be successful in life.

It helps in earning money and fulfilling the basic needs of life. Also, education will help to gain reputation by being in a great position. It can help you grow in career and fulfill their dreams.

Education is irrespective of caste, creed and gender, by gaining knowledge people can stand out as equal with all the other persons from different caste and creed. It is a platform to prove the equity by defeating all barriers.

### **Why Education is Important for Children?**

Education is important for children because they are the future of the world and they should be updated with current affairs. They are the pillars of the

nation, to develop a country and the world the future should be secure and the children are the weapons to build the nation with all their knowledge and education.

We should inculcate the past generation's values and carry them with huge current innovations. It helps to break the social evils like racism and poverty line, so each and every child must be educated.

The children will stand out as future leaders to develop the nation from all the issues and hurdles, stopping to grow.

### **BENEFITS OF COMPLETING THE EDUCATION :-**
