

PAINTING COURSE

INTRODUCTION :-

Painting is one of the types of fine art study. Painting is simply a hobby course. The people who like or love to paint are so emotional and humble usually. Such people love the nature, creature, weather, colors, trees, river, rock and earth. Painting is not an educational course or the ability that comes after the training; it is the passion which is born when you born.

Painting is the medium of expression. “What you do think, your painting will describe” is the basic principle of painting. With a brush or such tool, a painter can create the anything in the world on the canvas. The main tools of painting are the canvas, brushes and colors.

“Painting is a practice for applying the paint, pigment, color or other like clay, sand, gold leaf and paper on the surface of anything like glass, paper, cloth, lead, or any article”.

Painting & Drawing don't attach up with the conventional paintings on canvas, but are extended in various styles such as painting on glass, on fabric, on pottery, etc.

Painting also helps children use their senses, express emotion, explore process and outcomes, explore color, and create aesthetically pleasing works and experiences. The paintbrush becomes an instrument of inner peace allowing the creative process to allow both good and bad feelings from the artist.

OBJECTIVE:-

- Develop a working concept of what it means to be an artist and create paintings.
- Reinforcing the principles of traditional painting skills.
- Developing new ways of thinking, seeing, and creating.
- Building confidence through exercises that help you explore different types of painting techniques.

CAREER & JOB :-

Nowadays, there is an excellent opportunity for students who have done the painting course. They get hired by Art galleries, Museums, Colleges and Universities, Corporates for making their art collection etc. They can also work independently as workshop organisers, Pottery painting, Glass painting, Tattoo painting etc. Since basic computer training is also included in the painting course, so a student can work as a Graphics designer also.
